

Cybersecurity References and Whitepapers for Federal Contractors

1. Video summary of NIST MEP technical review of ACR 2 CUI Cybersecurity Program with respect to compliance with NIST 800-171 and DFARS 252.204-7012. NIST technical staff concluded that the ACR 2 program met or exceeded all DFARS and NIST 800-171 requirements. Review was recorded with the consent of all parties and a link to the recorded video is shown below.
